Equine Fencing

EQUINE WIRE
4PIN 250M COIL ROLL

Hotcote uses high tensile wire, coated in a highly conductive carbon compound which can deliver electric shock. It can be used as your entire fence or in conjunction with Horsecote® and/or Horsesrail® creating the exact look you desire. 20 year guarantee.

GALLAGHER EQUINE WIRE
250M ROLL

The safest solution for your horse. Unique electrically conductive polymer (in black stripes) allows use as electric fence wire. Provides you, in combination with tension springs, ultimate safety for your horse. Total diameter of 7.5mm with a core of 2.5mm high tensile wire. 10 year guarantee.
